

NEX awarded Best Broker for Spot FX for its EBS trading platforms

We are pleased to announce that NEX was awarded Best Broker - Spot FX for its EBS trading platforms in the FX Week Best Banks Awards reader survey 2017.

We are pleased to announce that NEX was awarded Best Broker - Spot FX for its EBS trading platforms in the FX Week Best Banks Awards reader survey 2017.

The awards, which represent the results of a survey with FX market participants including banks, corporates and investors, were announced at a gala dinner on Wednesday 29 November in London.

You can read more about our award win in the following interview with Seth Johnson, CEO NEX Markets [here](#).
